Website: www.mtechg.com

Office Locations: Westminster (Main), Avon, Colorado Springs
Divisions of Work: 22 - Plumbing & 23 - HVAC/Mechanical
Bonding: \$80M Single Project | \$150 Aggregate

MTech Mechanical is a premier design-build mechanical contractor with offices in Westminster and Avon, Colorado. It was founded in 2002 with the belief that there is a better way of doing business with our clients. Our in-house engineers design, our crafts people build and our technicians service industry-leading mechanical systems that provide cutting edge solutions for a building's environment. We pride ourselves on superior technical expertise, enhanced client relationships and total mechanical solutions.

VISION & VALUES

Vision

We endeavor to be the locally-owned mechanical design-build leader offering the highest degree of technical and operational efficiency for commercial and industrial projects.

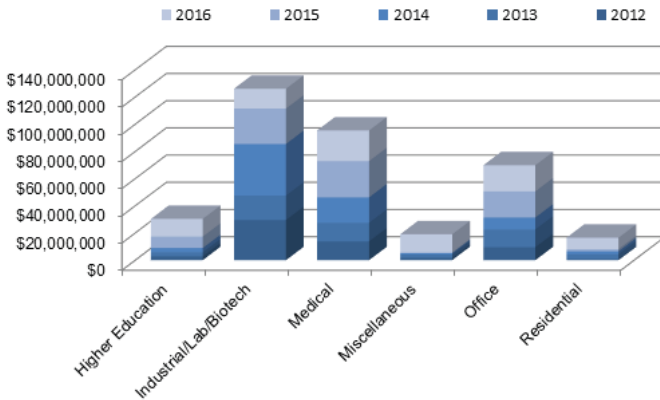

We commit to growing our company in a balanced, healthy way. We will provide our clients with results-focused solutions and our team members with career opportunities that deliver on-going challenges to fuel the passion behind our people.

Values

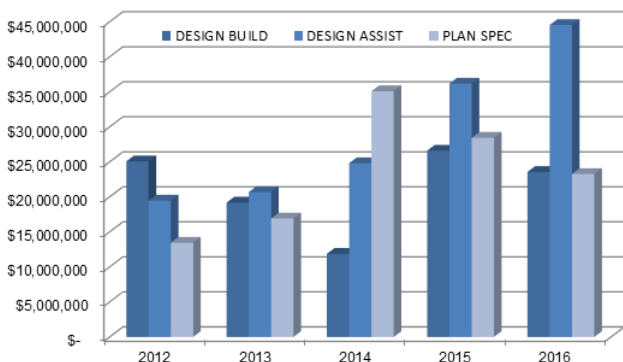

- Integrity – Respectful and trusting interactions
- Commitment – Creating and executing inspired solutions
- Excellence – Delivering bolder, brighter, better outcomes
- Growth – A willingness to train, a desire to learn
- Fun – A better experience shared with friends
